Cod: 12299

Vertical double-door roll-bond refrigerated pastry display cabinet with advertising panel, +1 to +12°C, 59.5 × 67 × 196h cm, new, with transport damage

Description

Why buy it?

This **double-door vertical pastry display cabinet** is the perfect solution for anyone looking to combine functionality and style. Ideal for patisseries, cafés and ice-cream parlours, it ensures optimal preservation of your confectionery products, keeping them fresh at all times and ready to be elegantly displayed.

Key features

- **Compact and functional design**
  With external dimensions of **59.5 x 67 x 196h cm**, this display cabinet fits easily into any setting, optimising space without compromising on its **350-litre** internal capacity.
- **Double doors for added convenience**
  The double doors make accessing the products simple and convenient, allowing you to manage the display efficiently without any loss of temperature.
- **Integrated canopy and advertising panel**
  The integrated canopies and advertising panel offer the possibility to customise the display cabinet, attracting customers' attention and enhancing the premises' image.
- **Roll-bond refrigeration**
  Roll-bond technology ensures even cooling distribution, maintaining a constant temperature between **+1°C and +12°C**, ideal for preserving the freshness of the products.
- **Digital display and mechanical thermostat**
  The **digital display** allows for precise control of the internal temperature, whilst the **mechanical thermostat** ensures intuitive and reliable operation.
- **Internal LED lighting**
  The internal LEDs provide uniform brightness, showcasing the products to their best advantage and making them irresistible to customers.
- **Adjustable shelves and feet**
  The **adjustable shelves** allow you to customise the interior space to suit your needs, whilst the **adjustable feet** ensure perfect stability on any surface.

Technical specifications

- **External dimensions**: 59.5 x 67 x 196h cm
- **Internal dimensions**: 55.5 x 41 x 158h cm
- **Insulation**: 4 cm
- **Power supply**: Electric
- **Capacity**: 350 litres
- **Energy efficiency class**: D
- **Power consumption**: 2.25 kW/24h
- **Refrigerant**: R600A
- **Weight**: 79 kg
- **Electrical power**: 0.37 kW
- **Noise** level: 54 dB
- **Defrosting**: Automatic
- **Operating temperature**: +1°C / +12°C

NB: The product has some imperfections caused by transport.

Dimensions

External dimensions	595x670x1960 mm
