Cod: 12950

Single wok induction hob, Ø 35 cm, 3.5 kW, second-hand

Description

Why buy it?

The **Single Wok Induction Hob** is an indispensable ally for anyone seeking professional-quality cooking without compromising on convenience and efficiency. Thanks to its advanced technology and design tailored for intensive use, this hob represents a smart investment for your kitchen.

Key features

- **Concave surface for perfect cooking:** Designed to fit the shape of woks, this concave surface ensures even heat distribution, making cooking quick and consistent.
- **22 cm coil with 21 magnetic bands:** This advanced technology ensures optimal heat transfer, improving efficiency and allowing high temperatures to be reached in a matter of seconds.
- **Overheating and overvoltage protection:** The smart safety system protects both the appliance and users, ensuring safe operation even during prolonged use.
- **Smart electronic components:** This hotplate is equipped with a system that optimises energy consumption, reducing waste and ensuring significant savings on running costs.
- **Durable and reliable materials:** Made from high-quality materials, the hotplate is resistant to high temperatures, features a non-slip base and is designed to last over time without losing efficiency.

Technical specifications

- **Diameter**: 35 cm
- **External dimensions:** 35x45x15.5h cm
- **Packaging dimensions:** 50x43x28h cm
- **Gross weight: 8** .55 kg
- **Net weight:** 7.55 kg
- **Power supply:** Electric
- **Power:** 3.5 kW
- **Frequency:** 50 Hz
- **Voltage: 220** V

NB: Second-hand equipment.

Dimensions

Diameter	350 mm
External dimensions	350x450x155 mm
Packaging dimensions	500x430x280 mm

Technical specifications

Electrical Power	3.5 kW
Frequency	50 Hz
Net weight	7.55 kg

Power supply	Electric
Voltage	220 V
Weight including packaging	8.55 kg
