Cod: 1289700106388

Stainless steel refrigerated freezer cabinet, 1 door, 700 litres, ventilated, -20 to -15°C – CH

Description

Why buy it?

If you're looking for a **reliable, spacious and professional freezer cabinet**, this **700-litre single-door** model is the perfect choice. Made from **stainless steel**, it offers uniform forced-air cooling, excellent performance even in extreme climates and intuitive operation thanks to its **digital thermostat**. Ideal for restaurants, patisseries, hotels and catering businesses.

Key features

- **Internal LED lighting**
  The integrated LED light provides **bright, efficient illumination** inside the cabinet, ensuring perfect visibility even in the most hidden corners.
- **Internal capacity of 700 litres with 4 GN2/1 shelves**
  Spacious and well-organised space for storing large quantities of food. The **4** adjustable **shelves** provided offer **flexibility** in the internal layout.
- **Ventilated refrigeration for constant temperatures**
  The **ventilated refrigeration** system maintains an even temperature distribution between **-20 and -15 °C**, protecting food from ice build-up and ensuring optimal preservation.
- **Automatic defrost**:
  This function minimises ice build-up, ensuring consistent efficiency and saving time on maintenance.
- **Key-operated lock for added security**
  Fitted with a **key lock**, this freezer cabinet ensures the protection of stored food, making it ideal for shared environments or premises open to the public.
- **Durable and hygienic stainless steel construction**
  The **stainless steel** exterior and interior ensure **durability**, corrosion resistance and quick and easy cleaning, which is essential in professional environments.

Technical Specifications

- **External dimensions:** 66.5 x 84 x 209h cm
- **Capacity:** 700 litres (net 600 litres)
- **Cooling:** Ventilated
- **Operating temperature:** -20 to -15 °C
- **Refrigerant:** R290
- **Power consumption:** 0.325 kW
- **Net weight:** 88 kg
- **Gross weight:** 105 kg
- **Power supply:** 230 V / 50 Hz

Dimensions

External dimensions	665x840x2090 mm
Insulation thickness	60 mm
Internal dimensions	535x705x1561 mm
Packaging dimensions	695x985x2145 mm

Technical specifications

Capacity	700 Lt
Defrosting	automatic
Electrical Power	0.325 kW
Energy efficiency class	D
Frequency	50 Hz
Net capacity	600 Lt
Net weight	88 kg
Noise levels	62 db
Operating temperature	-15 -20 °C
Power supply	Electric
Refrigerant gas	R290
Refrigeration	ventilated
Voltage	230 V
Weight including packaging	105 kg

Standard equipment

Included	4 adjustable GN 2/1 shelves
