Cod: 13503

2-handled saucepan with a lava-stone-effect finish, suitable for induction hobs, Ø 20 cm

Description

Why buy it

This double-handled saucepan with a lava-stone-effect finish helps to complete your kitchen's cookware collection. A practical choice for equipping your business with the necessary equipment and tailoring your operations to the type of service required.

Key features

- **Base design:** The surface of the pan is ideal for arranging ingredients and managing cooking and stirring processes that are suited to the shape and material of the model.
- **20 cm diameter:** The size of this model allows you to determine the scale of your cooking and choose the utensil or pan best suited to your planned dishes.
- **Induction-compatible:** This variant is suitable for use on induction hobs, allowing it to be integrated into the relevant cooking setup, provided the hob's usable diameter is checked.

Technical specifications

- **Product dimensions:** 28 x 20 x 9.5h cm
- **Net weight per unit:** 1 kg
- **Diameter:** 20 cm
- **Construction and functional features:** These pans heat up very quickly thanks to their thick base and the material from which it is made. They retain heat for longer. Lava stone interior coating. Made from 0.45 cm thick aluminium. Bakelite-welded handle. Brushed base suitable for all cooking methods, including induction hobs.
- **Gross weight per package for minimum order quantity:** 1.16 kg
- **Package dimensions for minimum order quantity:** 28.5 x 22.5 x 11h cm
- **Recommended minimum order quantity:** 1 unit
- **Recommended sales unit:** 1 unit
