Cod: 13506

Frying pan with lava-stone-effect coating, suitable for induction hobs, Ø 32 cm

Description

Why buy it

This pan with a lava-stone-effect coating helps you to brown, sauté or finish off dishes on the hob. A useful choice for equipping your business with the necessary kit and tailoring your operations to the type of service required.

Key features

- **Ingredient handling:** The shape of the pan provides a surface for arranging and moving ingredients during suitable cooking processes, making it ideal for quick cooking and finishing touches.
- **On-the-spot preparation:** It allows you to organise your equipment for express service and for stirring, choosing the variant best suited to the recipe and the heat source.
- **Induction-compatible:** This model is suitable for induction hobs, allowing it to be integrated into the relevant cooking line, provided the hob's usable diameter is checked.

Technical specifications

- **Product dimensions:** 32 x 32 x 4.9h cm
- **Net weight per unit:** 2.57 kg
- **Diameter:** 32 cm
- **Construction and functional features:** These pans heat up very quickly thanks to their thick base and the material from which it is made. They retain heat for longer.
