Cod: 13509

Wok with lava-stone-effect finish, Ø 28 cm

Description

Why buy it

The wok with a lava-stone-effect coating helps you brown, stir-fry or finish off dishes on the hob. A useful choice for equipping your business with the necessary kit and tailoring operations to the type of service required.

Key features

- **Ingredient handling:** The shape of the pan provides a surface for arranging and moving ingredients during suitable cooking techniques, making it ideal for quick cooking and finishing touches.
- **On-the-spot preparation:** It allows you to organise your equipment for express service and for creaming, choosing the variant best suited to the recipe and the heat source.
- **Non-stick surface:** The coating helps ensure that food releases easily and facilitates cleaning of the surface; use utensils and maintenance methods suitable for the coating.

Technical specifications

- **Product dimensions:** 38 x 28 x 8.5h cm
- **Net weight per unit:** 2 kg
- **Diameter:** 28 cm
- **Construction and functional features:** These pans heat up very quickly thanks to their thick base and the material from which it is made. They retain heat for longer.
