Cod: 13552

Stainless steel saucepan with 1 handle, Ø 18 cm, suitable for induction hobs

Description

Why buy it

This stainless steel saucepan with one handle helps to complete your kitchen's cookware set. A practical choice for putting together the equipment needed for your business and tailoring operations to the type of service required.

Key features

- **Base design:** The surface of the pan is ideal for arranging ingredients and managing cooking and stirring processes that are suited to the shape and material of the model.
- **18 cm diameter:** The size of this model allows you to determine the scale of your cooking and choose the utensil or pan best suited to your planned dishes.
- **Induction-compatible:** This variant is suitable for use on induction hobs, allowing it to be integrated into the relevant cooking setup, provided the hob's usable diameter is checked.

Technical specifications

- **Product dimensions:** 18x18x9h cm
- **Net weight per unit:** 0.91 kg
- **Diameter:** 18 cm
- **Capacity:** 6.7 L
- **Construction and functional features:** Elegant, attractively designed stainless steel pans with a compact sandwich base, suitable for induction hobs. Manufactured using sophisticated all-over technology to ensure there are no empty cavities. This allows for better heat distribution, faster heating and more even heat transfer, even right up to the edges of the pan.
- **Usage details and contents:** All-over technology extends the product's lifespan by preventing food residues, water or detergents from accumulating in the sandwich base, which could eventually cause deterioration.
- **Gross weight of the package for minimum order quantity:** 1.02 kg
- **Package dimensions for minimum quantity:** 37x21x12h cm
- **Recommended minimum order quantity:** 1 unit
- **Recommended sales multiple:** 1 unit
