Cod: 13554

Tall stainless steel saucepan with lid, Ø 20 cm, suitable for induction hobs

Description

Why buy it

This deep stainless steel saucepan with a lid is ideal for boiling and preparing dishes that require a deep pan. A practical choice for putting together the equipment needed for your business and tailoring your operations to the type of service required.

Key features

- **Capacity:** The deep design helps to hold ingredients and liquids, making it useful for preparing stocks, boiling and other tasks suitable for this type of pan.
- **20 cm diameter:** The size of this model allows you to determine the scale of your cooking and choose the utensil or pan best suited to your planned preparations.
- **Induction-compatible:** This variant is suitable for induction hobs, allowing it to be integrated into your cooking setup, provided the hob's usable diameter is checked.

Technical specifications

- **Product dimensions:** 20x20x13h cm
- **Net weight per unit:** 1.6 kg
- **Diameter:** 20 cm
- **Capacity:** 4 L
- **Construction and functional features:** Elegant, attractively designed stainless steel pans with a compact sandwich base, suitable for induction hobs. Manufactured using sophisticated all-over technology to ensure there are no empty cavities. This allows for better heat distribution, faster heating and more even heat transfer, even right up to the edges of the pan.
- **Usage details and contents:** All-over technology extends the product's lifespan by preventing food residues, water or detergents from accumulating in the sandwich base, which could eventually cause deterioration.
- **Gross weight of the package for minimum order quantity:** 1.8 kg
- **Package dimensions for minimum order quantity:** 29x23x16h cm
- **Recommended minimum order quantity:** 1 unit
- **Recommended sales multiple:** 1 unit
