Cod: 13849

Glass lid for saucepans, Ø 16 cm

Description

Why buy it

The glass lid for cookware helps to cover and complement the corresponding pot or pan. A useful choice for putting together the equipment needed for your business and tailoring your operations to the type of service required.

Key features

- **Dedicated lid:** Covers the opening of the pot during its intended use, helping to keep preparation or service organised.
- **Targeted pairing:** The size and product code provided allow you to select the lid for the corresponding item, checking dimensions and compatibility before purchase.
