Stainless steel saucepan, Ø 16 cm, 3 L, suitable for induction hobs

Description

Why buy it

This stainless steel saucepan is ideal for boiling and preparing dishes that require a deep pan. It’s a practical choice for putting together the equipment needed for your business and tailoring your operations to the type of service required.

Key features

- **Preparation capacity:** The tall design helps to hold ingredients and liquids, which is useful for preparing stocks, boiling and other tasks suitable for this type of pot.
- **3-litre capacity:** The capacity specified for this model helps you plan quantities and restocking, choosing equipment proportionate to the kitchen’s workload or the service required.
- **Induction-compatible:** This model is suitable for induction hobs, allowing it to be integrated into the relevant cooking setup, provided the hob’s effective diameter is checked.
