Cod: 13866

Stainless steel saucepan, Ø 60 cm, 155 L

Description

Why buy it

This stainless steel saucepan is ideal for boiling and preparing dishes that require a deep pan. It’s a practical choice for putting together the equipment needed for your business and tailoring your operations to the type of service required.

Key features

- **Preparation capacity:** The tall design helps to hold ingredients and liquids, which is useful for preparing stocks, boiling and other tasks compatible with the pot.
- **155 L capacity:** The capacity specified for this model helps you plan quantities and restocking, choosing equipment proportionate to the kitchen’s workload or the service required.
- **Stainless steel construction:** This material is suitable for professional kitchen and service equipment and allows for easy maintenance using compatible products and procedures.

Technical specifications

- **Product dimensions:** 60 x 60 x 55h cm
- **Net weight per unit:** 14.13 kg
- **Diameter:** 60 cm
- **Capacity:** 155 L
- **Construction and functional features:** Professional range in AISI 304 stainless steel, compatible with all types of hobs, including induction hobs. Ultra-strong steel wire handles rated for up to 500 kg. Fully satin-finished inside and out. Stainless steel–aluminium–stainless steel sandwich base, ideal for perfect heat conduction and even heat distribution.
- **Usage details and specifications:** The pot is used to boil liquids for long periods, to keep boiling water or stock constantly available in the kitchen. It is rarely used for making sauces or cooking anything other than boiled food.
- **Gross weight of the package for minimum quantity:** 15.83 kg
- **Package dimensions for minimum quantity:** 82 x 64 x 59h cm
- **Recommended minimum order quantity:** 1 unit
- **Recommended sales multiple:** 1 unit
