Cod: 13890

Deep saucepan with 2 stainless steel handles, Ø 45 cm, 44.5 L

Description

Why buy it

This deep saucepan with two stainless steel handles is ideal for boiling and other tasks that require a deep pan. A practical choice for putting together the equipment needed for your business and tailoring your operations to the type of service required.

Key features

- **Preparation capacity:** The deep design helps to hold ingredients and liquids, which is useful for preparing stocks, boiling and other tasks suitable for this type of pan.
- **44.5 L capacity:** The capacity specified for this model helps you plan quantities and restocking, choosing equipment proportionate to the kitchen's workload or service requirements.
- **Stainless steel construction:** This material is suitable for professional kitchen and service equipment and allows for easy maintenance using compatible products and procedures.

Technical specifications
