Cod: 13910

Saucepan colander 103-035

Description

Why buy it

The 103-035 saucepan colander helps to drain food after washing or cooking. A useful choice for putting together the equipment needed for your business and tailoring operations to the type of service required.

Key features

- **Separation from liquids:** The openings allow liquid to drain away as intended, whilst keeping the food in the draining container.
- **Coordinated preparation:** It provides dedicated support for the draining stage and allows food to be prepared before seasoning or further processing.

Technical specifications

- **Product dimensions:** 18x18x23h cm
- **Net weight per unit:** 0.49 kg
