Cod: 13917

Stainless steel saucepan with tap and lid, Ø 32 cm, 24 L, suitable for induction hobs

Description

Why buy it

The stainless steel saucepan with tap and lid is ideal for boiling and preparing dishes that require a deep pan. A practical choice for equipping your business with the necessary kit and tailoring operations to the type of service required.

Key features

- **Preparation capacity:** The tall design helps to hold ingredients and liquids, which is useful for making stocks, boiling and other preparations suitable for this pot.
- **24-litre capacity:** The capacity specified for this model helps you plan quantities and restocking, choosing equipment proportionate to the kitchen's workload or the service required.
- **Induction-compatible:** This model is suitable for induction hobs, allowing it to be integrated into the relevant cooking setup, provided the hob's effective diameter is checked.
