Stainless steel saucepan with tap and lid, Ø 35 cm, 33.6 L, suitable for induction hobs

Description

Why buy it

The stainless steel saucepan with tap and lid is ideal for boiling and preparing dishes that require a deep pan. A practical choice for equipping your business with the necessary kit and tailoring operations to the type of service required.

Key features

- **Preparation capacity:** The tall design helps to hold ingredients and liquids, which is useful for preparing stocks, boiling and other tasks compatible with the pot.
- **33.6 L capacity:** The capacity specified for this model helps you plan quantities and restocking, choosing equipment proportionate to the kitchen's workload or the service required.
- **Induction-compatible:** This model is suitable for induction hobs, allowing it to be integrated into the relevant cooking setup, provided the hob's effective diameter is checked.
