Cod: 13920

Stainless steel saucepan with tap and lid, Ø 45 cm, 72 L

Description

Why buy it

The stainless steel saucepan with tap and lid is ideal for boiling and preparing dishes that require a deep pan. A practical choice for equipping your business with the necessary kit and tailoring operations to the type of service required.

Key features

- **Preparation capacity:** The tall design helps to hold ingredients and liquids, which is useful for making stocks, boiling and other preparations suitable for this pot.
- **72-litre capacity:** The capacity specified for this model helps you plan quantities and restocking, choosing equipment proportionate to the kitchen's workload or the service required.
- **Stainless steel construction:** This material is suitable for professional kitchen and service equipment and allows for easy maintenance using compatible products and procedures.
