Cod: 13950

Deep saucepan with two aluminium handles, 0.5 cm thick, Ø 24 cm, 6.3 L

Description

Why buy it

This deep aluminium saucepan with two handles is ideal for boiling and preparing dishes that require a deep pan. A practical choice for putting together the equipment needed for your business and tailoring your operations to the type of service required.

Key features

- **Preparation capacity:** The deep shape helps to hold ingredients and liquids, which is useful for preparing stocks, boiling and other tasks suitable for this type of pan.
- **6.3 L capacity:** The capacity specified for this model helps you plan quantities and restocking, choosing equipment proportionate to the kitchen's workload or the service required.
- **Aluminium construction:** This material allows you to integrate this item with your existing equipment, whilst adhering to the correct methods of use, washing and maintenance for aluminium.
