Cod: 13966

0.5 cm aluminium saucepan, 10 L

Description

Why buy it

This aluminium saucepan is ideal for boiling and other tasks that require a deep pan. It’s a practical choice for putting together the equipment needed for your business and tailoring your operations to the type of service required.

Key features

- **Preparation capacity:** The tall design helps to hold ingredients and liquids, which is useful for preparing stocks, boiling and other tasks suitable for this type of pot.
- **10-litre capacity:** The capacity specified for this model helps you plan quantities and restocking, choosing equipment proportionate to the kitchen’s workload or the service required.
- **Aluminium construction:** This material allows you to integrate this item with your existing equipment, whilst adhering to the usage, washing and maintenance procedures suitable for aluminium.
