Cod: 13970

0.5 cm aluminium saucepan, 50 L

Description

Why buy it

This aluminium saucepan is ideal for boiling and other tasks that require a deep pan. It's a practical choice for putting together the equipment needed for your business and tailoring your operations to the type of service required.

Key features

- **Preparation capacity:** The tall design helps to hold ingredients and liquids, which is useful for preparing stocks, boiling and other tasks suitable for this type of pot.
- **50-litre capacity:** The capacity specified for this model helps you plan quantities and restocking, choosing equipment proportionate to the kitchen's workload or the service required.
- **Aluminium construction:** This material allows you to integrate this item with your existing equipment, whilst adhering to the correct usage, washing and maintenance procedures for aluminium.
