Shallow stainless steel saucepan with one handle, Ø 24 cm, 4.3 L, suitable for induction hobs

Description

Why buy it

The single-handled, shallow stainless steel saucepan helps you cook and finish off dishes in a shallow pan. A useful choice for putting together the equipment you need for your business and tailoring your operations to the type of service required.

Key features

- **Easy access during preparation:** The shallow shape makes it easier to access the contents whilst cooking, which is useful for monitoring and stirring ingredients in suitable dishes.
- **4.3 L capacity:** The capacity specified for this model helps you plan quantities and restocking, choosing equipment proportionate to the kitchen's workload or the service required.
- **Induction-compatible:** This model is suitable for use on induction hobs, allowing it to be integrated into the relevant cooking setup, provided the hob's effective diameter is checked.
