Cod: 13993

French-style stainless steel saucepan, Ø 28 cm, 8.6 L, suitable for induction hobs

Description

Why buy it

This French-style stainless steel saucepan helps to complete your kitchen's cookware collection. It's a practical choice for putting together the equipment needed for your business and tailoring your operations to the type of service required.

Key features

- **Base design:** The surface of the pan is ideal for arranging ingredients and managing cooking and stirring processes that are compatible with the shape and material of the model.
- **8.6 L capacity:** The capacity specified for this model helps you plan quantities and restocking, choosing equipment proportionate to the kitchen's workload or the service required.
- **Induction-compatible:** This model is suitable for use on induction hobs, allowing it to be integrated into the relevant cooking line, provided the hob's usable diameter is checked.
