Cod: 13995

Stainless steel bain-marie saucepan, Ø 16 cm, 3 L, suitable for induction hobs

Description

Why buy it

The stainless steel bain-marie saucepan helps you prepare dishes using the bain-marie method. A useful choice for equipping your business with the necessary equipment and tailoring your operations to the type of service required.

Key features

- **Specialised design:** This type of pan is designed specifically for bain-marie use, making it ideal for preparing dishes that require this technique.
- **3-litre capacity:** The capacity specified for this model helps you plan quantities and restocking, choosing equipment proportionate to the kitchen's workload or the service required.
- **Induction-compatible:** This model is suitable for use on induction hobs, allowing it to be integrated into the relevant cooking setup, provided the hob's effective diameter is checked.

Technical specifications

- **Product dimensions:** 16x16x16h cm
- **Net weight per unit:** 0.62 kg
- **Diameter:** 16 cm
