Induction grill pan, 28×28 cm

Description

Why buy it

The induction grill pan helps you brown, sauté or finish off dishes on the hob. A useful choice for equipping your business with the necessary kit and tailoring operations to the type of service required.

Key features

- **Ingredient handling:** The shape of the pan provides a surface for arranging and moving ingredients during compatible cooking processes, which is useful for quick cooking and finishing touches.
- **On-the-spot preparation:** It allows you to organise your equipment for express service and for creaming, choosing the variant best suited to the recipe and the heat source.
- **Induction-compatible:** This model is suitable for induction hobs, allowing it to be integrated into your cooking setup, provided the hob's working diameter is checked.
