0.3 cm aluminium frying pan for induction hobs, Ø 32 cm

Description

Why buy it

An aluminium frying pan helps you brown, sauté or finish off dishes on the hob. A useful choice for putting together the equipment you need for your business and tailoring your operations to the type of service required.

Key features

- **Ingredient handling:** The shape of the pan provides a surface for arranging and moving ingredients during suitable cooking techniques, making it ideal for quick cooking and finishing touches.
- **On-the-spot preparation:** It allows you to organise your equipment for express service and for stirring, choosing the variant best suited to the recipe and the heat source.
- **Induction-compatible:** This model is suitable for induction hobs, allowing it to be integrated into the relevant cooking line, provided the hob's usable diameter is checked.
