Cod: 14085

Aluminium pan with handles - 219-040

Description

Why buy it

This pan with aluminium handles helps you cook and finish off dishes in a shallow pan. A useful choice for putting together the equipment you need for your business and tailoring your operations to the type of service required.

Key features

- **Access to the contents:** The shallow design makes it easy to access the contents whilst working, which is useful for monitoring and stirring ingredients in suitable recipes.
- **Cooking and finishing:** The pan can be included in your kit for cooking and finishing recipes, choosing the material and size according to the intended use.
- **Aluminium construction:** This material allows you to integrate this item with your existing equipment, whilst adhering to the usage, washing and maintenance guidelines appropriate for aluminium.
