Cod: 14093

24 cm ceramic-coated aluminium frying pan, suitable for induction hobs

Description

Why buy it

The ceramic-coated aluminium frying pan is ideal for browning, stir-frying or finishing dishes on the hob. A practical choice for equipping your business with the necessary kit and tailoring operations to the type of service required.

Key features

- **Ingredient handling:** The shape of the pan provides a surface for arranging and moving ingredients during suitable cooking techniques, making it ideal for quick cooking and finishing touches.
- **On-the-spot preparation:** It allows you to organise your equipment for express service and for stirring, choosing the variant best suited to the recipe and the heat source.
- **Induction-compatible:** This model is suitable for induction hobs, allowing it to be integrated into the relevant cooking line, provided the hob's usable diameter is checked.

Technical specifications

- **Product dimensions:** 24 x 24 x 4.6h cm
- **Net weight per unit:** 1.44 kg
- **Diameter:** 24 cm
