Cod: 14146

Non-stick cast-iron frying pan, Ø 30 cm, suitable for induction hobs

Description

Why buy it

This non-stick cast-iron frying pan is ideal for browning, stir-frying or finishing off dishes on the hob. A practical choice for equipping your business with the necessary kit and ensuring your operations are tailored to the type of service required.

Key features

- **Ingredient handling:** The shape of the pan provides a surface for arranging and moving ingredients during suitable cooking techniques, making it ideal for quick cooking and finishing touches.
- **On-the-spot preparation:** It allows you to organise your equipment for express service and for creaming, choosing the variant best suited to the recipe and the heat source.
- **Induction-compatible:** This model is suitable for induction hobs, allowing it to be integrated into your cooking setup, provided the hob's working diameter is checked.
