Cod: 14185

Tall aluminium saucepan with 2 handles, Ø 20 cm, 3.3 L, suitable for induction hobs

Description

Why buy it

This deep aluminium saucepan with two handles helps to complete your kitchen's range of cookware. A practical choice for putting together the equipment needed for your business and tailoring operations to the type of service required.

Key features

- **Large-volume cooking:** The deep design is useful for tasks requiring a large capacity, such as boiling, making stocks and other recipes suitable for this type of pan.
- **3.3 L capacity:** The capacity specified for this model helps you plan quantities and restocking, choosing equipment proportionate to the kitchen's workload or the service required.
- **Induction-compatible:** This model is suitable for use on induction hobs, allowing it to be integrated into the relevant cooking setup, provided the hob's effective diameter is checked.

Technical specifications

- **Product dimensions:** 20 x 20 x 11.5h cm
- **Net weight per unit:** 1.2 kg
- **Diameter:** 20 cm
