Cod: 14186

Tall aluminium saucepan with 2 handles, Ø 24 cm, 5.6 L, suitable for induction hobs

Description

Why buy it

This deep aluminium saucepan with two handles helps to complete your kitchen's range of cookware. A practical choice for putting together the equipment needed for your business and tailoring operations to the type of service required.

Key features

- **Large-volume cooking:** The tall design is useful for preparing dishes that require a large capacity, such as boiling, making stocks and other recipes suitable for this type of pan.
- **5.6 L capacity:** The capacity specified for this model helps you plan quantities and restocking, choosing equipment proportionate to the kitchen's workload or the service required.
- **Induction-compatible:** This model is suitable for induction hobs, allowing it to be integrated into the relevant cooking system, provided the hob's effective diameter is checked.

Technical specifications

- **Product dimensions:** 24x24x14h cm
- **Net weight per unit:** 2.1 kg
- **Diameter:** 24 cm
- **Capacity:** 5.6 L
