Tall aluminium saucepan with 1 handle, Ø 20 cm, 3.3 L, suitable for induction hobs

Description

Why buy it

This tall aluminium saucepan with one handle helps to complete your kitchen's range of cookware. A practical choice for putting together the equipment needed for your business and tailoring your operations to the type of service required.

Key features

- **Large-volume cooking:** The tall design is useful for preparing dishes that require a large capacity, such as boiling, making stocks and other recipes suitable for this type of pan.
- **3.3 L capacity:** The capacity specified for this model helps you plan quantities and restocking, choosing equipment proportionate to the kitchen's workload or the service required.
- **Induction-compatible:** This model is suitable for use on induction hobs, allowing it to be integrated into the relevant cooking setup, provided the hob's effective diameter is checked.
