Cod: 108340012482631

Professional electric fry-top grill on a cabinet with a smooth cooking surface, 11.4 kW, 80×90×114h cm

Description

Why buy it?

If you're looking for a **robust, reliable and versatile** solution for professional-style grilling, this fry top is just what you need. Designed to deliver **high performance** even in the most demanding environments of a professional kitchen, it combines the **durability of stainless steel with** the **convenience of a freestanding unit**. With a smooth surface that's very easy to clean and ideal for even cooking, this fry top guarantees perfect results every time.

Key features

- **Electric power supply with 11.4 kW output**
  Thanks to its **electric** power supply, this fry top guarantees **rapid temperature rise** and **precise heat control**, ideal for professional catering. The **11.4 kW power output** ensures fast and even cooking, even for large quantities of food.
- **Smooth stainless steel cooking surface for flawless cooking**
  The **smooth stainless steel cooking surface** measures **79.6 x 68 cm** and offers a generous working area. Perfect for meat, vegetables, eggs and fish, it ensures **even cooking**, prevents food from sticking and makes cleaning easy.
- **Fully stainless steel construction**
  Constructed from **high-quality stainless steel**, this fry top is corrosion-resistant, easy to sanitise and designed to last, even in demanding working environments.
- **Cabinet with integrated hinged doors**
  The fry top is mounted on a **sturdy unit** fitted with **hinged doors**, ideal for storing utensils, accessories or cleaning products, keeping the kitchen tidy and functional.
- **Drawer for collecting cooking residues**
  Included as standard, the **pull-out** residue collection **drawer** facilitates daily cleaning and improves hygiene on the worktop.
