Cod: 39700304

Single-bowl stainless steel sink with dishwasher compartment on the left, 120×60×85h cm

Description

Why buy it?

This sink is designed for those who want to combine **practicality, durability and organisation** in their professional kitchen. Thanks to its spacious bowl, dedicated dishwasher compartment and side drainer, it allows you to work tidily and efficiently, making the most of the available space and ensuring a long service life.

Key features

- **Stainless steel construction**
  Made entirely from stainless steel, this sink offers **maximum resistance to corrosion and** everyday **wear and tear**. The material is easy to clean, hygienic and ideal for the catering environment, where rapid sanitisation is essential.
- **Integrated dishwasher compartment**
  The dedicated space beneath the worktop allows for the convenient installation of a professional dishwasher, thereby optimising the workspace. This feature is particularly useful for keeping the kitchen tidy and reducing washing-up time.
- **Storage shelf**
  The sink is fitted with a practical lower shelf that provides additional space for storing utensils, cleaning products or equipment, helping to keep the work area organised at all times.
- **Side drainer**
  The drainer allows you to place crockery, pots and utensils there after washing, encouraging them to dry naturally whilst keeping the worktops dry and tidy.
