Stainless steel double-bowl sink with dishwasher compartment on the right: 180 × 60 × 85h cm

Description

Why buy it?

This **double-bowl stainless steel sink with a dedicated dishwasher compartment** is a practical and functional solution designed to simplify and optimise daily kitchen tasks, whether in a professional or domestic setting. The two bowls, the drainer and the dedicated dishwasher compartment make it extremely versatile, ideal for those seeking durability, organisation and maximum hygiene in a single unit.

Key features

- **Stainless steel construction**
  Made entirely from stainless steel, a corrosion-resistant, easy-to-clean and hygienic material. It is the ideal choice for catering establishments and professional kitchens, where durability and ease of maintenance are essential.
- **Spacious double-bowl design**
  The two basins allow you to carry out multiple tasks simultaneously, such as washing up and preparing food. This ensures greater efficiency and tidiness, especially during periods of peak workload.
- **Handy drainer**
  The integrated draining rack provides a convenient space for placing plates, pans or utensils, allowing them to dry naturally whilst keeping the worktop clear and organised.
- **Lower shelf**
  The shelf located beneath the worktop provides additional space for storing washing-up liquid, kitchen equipment or utensils, ensuring tidiness and practicality.
- **Dishwasher compartment**
  The dedicated dishwasher compartment makes this sink even more practical, allowing for seamless integration and optimising kitchen space. An ideal solution for those looking for a single unit that combines hand washing and machine washing.
